

Resident Vehicle Information

Dear Hunt Club Gables Community,

We hope this message finds you well. We would like to bring your attention to an ongoing concern within our community - parking. The availability of visitor parking has been a persistent issue, and in an effort to address this, we will be implementing more consistent enforcement of parking regulations.

To streamline this process, we are required to adhere to Schedule C rule 14, which mandates the maintenance of a list of vehicles registered to owners. This will enable us to distinguish between guest vehicles and those of unit residents.

In order to facilitate this process, we kindly request that you provide the following information for each of your vehicles:

1. Make
2. Model
3. Plate Number
4. Address

Please email this information to huntclubgables@hotmail.com . We want to assure you that this information will be kept strictly confidential, and only members of the HCGCT committee will have access to it.

It is essential to emphasize that this initiative is not intended as a punitive measure but as a means to foster better community solidarity. By adhering to these regulations, we aim to improve the availability of visitor parking spaces and reduce instances of unauthorized parking.

We appreciate your cooperation in this matter, as it contributes to the overall harmony and well-being of our community. If you have any questions or concerns, feel free to reach out to us.

Thank you for being a valued member of Hunt Club Gables.

Best regards,

Your Committee
